As a customer of Howie's Roll-off Service and Howie's Trash Service, I am hereby notified of the following information in regards to the acceptance of Howie's equipment on my private property or right of way:

1. I understand that Howie's may use my private driveway and other parking areas on my property for the delivery and setting of my dumpster or picking up my waste materials.

But, in the general course of this work, adjacent areas may be inadvertently impacted.
